Chapter 1 by Emster

The stories of Manded forest are true. They just don't know it yet...

"It's just a simple dare! All you have to do is walk inside!" Carlos said.

"Yea!" Janice said back, encouraging the three friends to do their dare.

"Easy for you guys to say! You don't have to do the dare!" Olivia complained, kicking the dirt under her away.

"Do it!"

"But-"

"Now!" Olivia, Jack, and Ethan slowly walked down the path. Nobody survived.

Only Olivia did. But not for long. Never go into the forest. If you survive that you won't live for long.
